WHEREAS, farmworkers toil the fields to put food on our nation's tables, and

WHEREAS, these (adults and youth) farmworkers desperately need job training and affordable housing, and

WHEREAS, the President's budget eliminates the vital job training and housing program to the nation's 5.1 million primarily Latino farmworkers to their detriment, and

WHEREAS, by eliminating this program known as Workforce 167, the only job training program by the US DOL affecting primarily Hispanics, is wiped out, and

WHEREAS, 5.1 million primarily Latino farmworkers will be adversely affected, and

THEREFORE, we request that President Bush restore the National Farmworker Job Training and Housing program to \$166,000,000 for adults, \$20,000,000 for migrant youth and \$10,000,000 for farm worker technical assistance to the 2007-2008 budget.

THEREFORE, we request that this resolution be approved at the Arizona LULAC Convention and forwarded to the national LULAC convention to become a national legislative priority.
