2007 State Convention
Texas LULAC
Resolution

Young Adults Resolutions

Whereas LULAC pursues the higher education of our Latino community,

Whereas LULAC Young Adult members across Texas and the nation are facing extreme issues about education and immigration.

Whereas LULAC must show support for our Collegiate members

Therefore, be it resolved that we move to support the following initiatives:

- That LULAC advocate for change in State and National Laws to ensure that all Public Colleges and Universities undergo a full Financial Audit
- That LULAC ensure that any proposed tuition increases at public colleges and universities are justified (Common tuition rates)
- Education Board/Agency – Representation Young Adults in all LULAC and of all boards and organizations.
- Immigration and education issues (Dream Act and HB 1403)
- Remedial Course and preparatory course to keep Latinos in schools.
