Duke Energy Convention Center
Cincinnati, OH

The League of United Latin American Citizens invites you to participate in the 82nd Annual LULAC National Convention & Exposition in Cincinnati, OH from June 27 through July 2, 2011. As the premier Hispanic convention, the LULAC National Convention draws over 20,000 participants each year including the top leaders from government, business, and the Hispanic community.

Make History: The LULAC Convention is an exciting, history-making convention, because it convenes the national delegates of LULAC to discuss issues, set policies, and elect the organization's national leaders. For this reason, the LULAC Convention makes news and is covered by national and local media. It is the only convention in which participants representing Hispanic communities from across the country determine the positions and strategies of a national Hispanic organization.

Reach out to Hispanic America: The LULAC Convention is also well attended by major corporations who recognize the importance of reaching out to national Hispanic leaders and influential community members directly. There are opportunities to sponsor workshops and events, to showcase products and recruit Hispanic professionals in the convention exhibit hall. In addition, all proceeds support the dedicated work of LULAC to improve the quality of life for Hispanic Americans.

Federal Training Institute: The LULAC Convention hosts the LULAC Federal Training Institute (FTI), an intensive and structured career development program for government and public sector employees. In partnership with the OPM Management Development Center and the Graduate School, USDA, the Federal Training Institute offers workshops and plenary sessions that enable mid and senior level government employees to enhance their leadership skills and develop the Executive Core Qualifications required for entry to the Senior Executive Service.

FTI Youth and Collegiate Federal Careers Exploration Forum: A free fun-filled daylong event to showcase career and employment opportunities in forensic science, aviation and aeronautics, criminal justice intelligence available to middle, high school, college and university students. Expert presenters provide animated interactive sessions that introduce students to resume writing, computer links, student programs, scholarships and internships

Career Fair: Emerging career opportunities, top companies, live interviews. Whether you are an employer looking for top talent or a professional looking for your next job, you will want to attend the LULAC Career Fair. This three day event features great jobs from over 250 top companies and federal agencies that are ready to hire.

College Fair: Your path to a higher education starts at the LULAC College Fair. More than 30 representatives from top notch colleges and universities are anxious to talk with you about postsecondary opportunities at their institutions.

Youth Conference: The convention also hosts the LULAC Youth Conference—a three-day event for Hispanic youth, featuring workshops and panel discussions education, career opportunities, community service and leadership.

Young Adults Conference: The Young Adult Conference features four-days of leadership development and policy workshops for college students and young professionals.

About LULAC: Founded in 1929, the League of United Latin American Citizens is the nation's oldest and largest Hispanic organization. With thousands of members organized into more than 700 LULAC Councils in virtually every state of the nation and in Puerto Rico, LULAC has tremendous outreach into the Hispanic community. With a rich history of advocacy in civil rights, education, economic development, immigration and equal opportunity, LULAC is uniquely positioned to lead the Hispanic community into the next millennium.
