July 5, 2008

Dear Esteemed LULAC Members:

I would like to take this opportunity to welcome you to our 79th annual National Convention in nation's capitol. I have had the privilege of serving in the capacity of National Youth President of LULAC. I am particularly proud being serving our community and the youth organization.

During this convention, we will reflect on our glorious past. It would take volumes of book to be publishes in the annals of our American history the many milestones and accomplishments of LULAC. LULAC in particular, would certainly be a significant factor as a powerful voice and vehicle in promoting the advancement and upward mobility of the Latino community.

God bless you all and I hope you have a successful and most memorable national convention.

Sincerely,

Jessica I. Martinez  
National Youth President
